Tee Shirts

NOW, you have to make sure that you order your Tee Shirts. We need to have your size information to place our order. This also can be done by going online to the website, or you can send a email or even a telephone call.

All of this can be found at CaldwellFamilyReunion.net under the St Louis page.

The most important part is completing the form and ordering your Tee Shirts. For those that do not have computer access or email accounts I will be snail mailing this Newsletter, but for those of you that do have computer access, you can help out by calling those Family members, and submitting their forms from the Website, or by simply emailing me or Peggy, or another committee member with their information. I am including all email addresses in this Newsletter.

Activity Ideas

St Louis is working on a couple of BRIGHT IDEAS to switch up the normal things that we do with something fun and different. One of these ideas include our first night

"The Meet and Greet". Instead of having it at the Hotel, a possibility is having it at a local Bowling Alley, that would also have laser tag games for the kids, and a party room, where we could have food and snacks, and of course for

those that want to bowl, that also would be available. If this sounds like something you might want to do, let Peggy or someone on the committee know.

Did You Know That?

We want to hear from you! Your Families Achievements, Milestones, Special Events, Individual Celebrations. We want all of our Family Members to **CELEBRATE WITH YOU!** So, I want you to send me information about anything that you want to Celebrate, Acknowledge, Special Mention. It would be nice if you could include a picture, or 2 or 3, and I will put them in the next Newsletter, and I will also add a Special Page on the Website, that will be titled Family Celebrations, or Family Achievements, or Did You Know That..... You can suggest a name for the Webpage. You can email me the information and the pictures, or you can send it thru regular mail. We want everyone to have the opportunity to Celebrate their Achievements. This does include all Family Members and Friends of Family Members, if you're coming to this Reunion or not, of course we want you to come.....but we really want to **HEAR FROM YOU!!**
